6. On February 2, 2023, the Committee selected FTI as its financial advisor.

#### **B. FTI's Qualifications**

7. FTI provides services in areas ranging from corporate finance and interim management to economic consulting, forensic and litigation consulting, strategic communications, and technology. FTI's clients include many of the world's largest public companies and majorities of the twenty-five largest banks and one-hundred largest law firms in the world. FTI's expertise includes liquidity and capital structure assessment, debt and equity restructuring advice, and identification of reorganization alternatives.

8. The Committee is familiar with FTI's professional standing and reputation. FTI has considerable experience in providing financial advisory services in restructurings and reorganizations and enjoys an excellent reputation for the results it has obtained for debtors and creditors in chapter 11 cases throughout the United States. The Committee requires FTI's services to enable it to assess and monitor the efforts of the Debtors and their professional advisors to maximize the value of their estates and to reorganize successfully. Finally, FTI is well qualified and able to represent the Committee in a cost-effective, efficient, and timely manner.

#### **C. Services to be Rendered**

9. FTI will provide such financial advisory services to the Committee and its legal advisor as they deem appropriate and feasible to advise the Committee in the course of these chapter 11 cases, including, but not limited to, the following:

- Assistance in the review of financial related disclosures required by the Court, including the

Schedules of Assets and Liabilities, the Statement of Financial Affairs and Monthly Operating Reports;

- Assistance in the preparation of analyses required to assess any proposed Debtor-In-Possession (“DIP”) financing or use of cash collateral;
- Assistance with the assessment and monitoring of the Debtors’ short term cash flow, liquidity, and operating results;

- Assistance with analyzing value waterfalls and potential recoveries with respect to any proposed plan of reorganization;
- Assistance in the review of other financial information prepared by the Debtors, including, but not limited to, cash flow projections and budgets, business plans, cash receipts and disbursement analysis, asset and liability analysis, and the economic analysis of proposed transactions for which Court approval is sought;
- Attendance at meetings and assistance in discussions with the Debtors, potential investors, banks, other secured lenders, ad hoc creditor groups, the Committee and any other official committees organized in these chapter 11 proceedings, the U.S. Trustee, other parties in interest and professionals hired by the same, as requested;

- Assistance in the review and/or preparation of information and analysis necessary for the confirmation of a plan and related disclosure statement in these chapter 11 proceedings;
- Assistance in the evaluation and analysis of avoidance actions, including fraudulent conveyances and preferential transfers;

- Render such other general business consulting or such other assistance as the Committee or its counsel may deem necessary that are consistent with the role of a financial advisor and not duplicative of services provided by other professionals in this proceeding.

#### **D. FTI's Eligibility for Employment**

10. FTI has informed the Committee that, to the best of FTI's knowledge, information, and belief, other than as set forth in the Zucker Declaration, FTI: (a) has no connection with the Debtors, their creditors, their equity security holders, or other parties in interest or their respective attorneys or accountants, the U.S. Trustee, any person employed in the office of the U.S. Trustee, or any United States district judge or bankruptcy judge in this district in any matter related to the Debtors or their estates; (b) does not hold any interest adverse to the Debtors' estates; and (c) believes that it is a "disinterested person" as that term is defined in Bankruptcy Code section 101(14). FTI has not provided, and will not provide, any professional services to the Debtors, any of the creditors, other parties-in-interest, or their respective attorneys and accountants with regard to any matter related to these chapter 11 cases. If any new material facts or relationships are discovered or arise, FTI will inform the Court as required by Bankruptcy Rule 2014(a).

11. FTI has agreed not to share with any person or firm the compensation to be paid for professional services rendered in connection with these cases.

#### **E. Terms of Retention**

12. FTI is not owed any amounts with respect to pre-petition fees and expenses.

13. The Committee understands that FTI intends to apply to the Court for allowances

of compensation and reimbursement of expenses for its financial advisory services in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any orders of this Court.

14. FTI seeks to be compensated on an hourly-fee basis, plus reimbursement of actual and necessary expenses incurred by FTI. Actual and necessary expenses would include any reasonable legal fees incurred by FTI related to FTI's retention or preparation of fee applications in these cases, subject to Court approval. FTI understands that interim and final fee awards are subject to approval by this Court.

15. The customary hourly rates, subject to periodic adjustments, charged by FTI professionals anticipated to be assigned to this case are as follows:

<u>United States</u>	<u>Per Hour (USD)</u>
Senior Managing Directors	\$1,045 - \$1,495
Directors / Senior Directors / Managing Directors	\$785 - \$1,055
Consultants/Senior Consultants	\$435 - \$750
Administrative / Paraprofessionals	\$175 - \$325

16. FTI will maintain records in support of any actual, necessary costs and expenses incurred in connection with the rendering of its services in these chapter 11 cases. In the event FTI seeks reimbursement for attorneys' fees during the term of the Debtors' chapter 11 cases, FTI will include the applicable invoices and supporting time records from such attorneys (in summary form and redacted for privilege and work product). Such attorneys do not need to have been retained under Bankruptcy Code section 327.

17. FTI believes that the foregoing fee structure and terms are reasonable and comparable to those generally charged by financial advisors and consultants of similar stature to FTI for comparable engagements, both in and out of chapter 11.

#### **F. Indemnification**

18. In addition to the foregoing, and as a material part of the consideration for the

agreement of FTI to furnish services to the Committee pursuant to the terms of this Application, FTI believes that the following indemnification terms are customary and reasonable for financial advisors in chapter 11 cases:

- a. subject to the provisions of subparagraphs (b) and (c) below and approval of the Court, the Debtors are authorized to indemnify, and shall indemnify, FTI for any claims arising from, related to, or in connection with FTI's engagement under this Application, but not for any claim arising from, related to, or in connection with FTI's performance of any other services other than those in connection with the engagement, unless such services and indemnification therefor are approved by this Court; and
- b. the Debtors shall have no obligation to indemnify FTI for any claim or expense that is either (i) judicially determined (the determination having become final) to have arisen primarily from FTI's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud, unless the Court determines that indemnification would be permissible pursuant to applicable law, or (ii) settled prior to a judicial determination as to FTI's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud, but determined by this Court, after notice and a hearing, to be a claim or expense for which FTI is not entitled to receive indemnity under the terms of this Application; and
- c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing these chapter 11 cases, FTI believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification obligations under the Application, including, without limitation, the advancement of defense costs, FTI must file an application in this Court, and the Debtors may not pay any such amounts to FTI before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by FTI for indemnification, and not as a provision limiting the duration of the Debtors' obligation to indemnify FTI.

The Committee believes that indemnification is customary and reasonable for financial advisors in chapter 11 proceedings. *See In re Joan & David Halpern, Inc.*, 248 B.R. 43 (Bankr. S.D.N.Y. 2000).

### **Relief Requested**

19. By this Application, the Committee seeks entry of an order, substantially in the

form attached hereto as **Exhibit A**, authorizing the Committee to employ and retain FTI as its financial advisor pursuant to Bankruptcy Code section 1103.

**Basis for Relief Requested**

20. The Committee seeks approval of the Application pursuant to Bankruptcy Code section 1103. Bankruptcy Code section 1103(a) provides, in relevant part, that a creditors' committee, with the Court's approval, "may select and authorize the employment by such committee of one or more attorneys, accountants, or other agents, to represent or perform services for such committee." 11 U.S.C. § 1103(a). The employment of FTI and its professionals by the Committee are reasonable and in line with the terms and conditions typical for engagements of this size and character. Because the Committee will require substantial assistance with these chapter 11 cases, it is reasonable for the Committee to seek to employ and retain FTI to serve as its financial advisor on the terms and conditions in this Application.

21. Bankruptcy Code section 328(a) provides, in relevant part, that the Committee "with the court's approval, may employ or authorize the employment of a professional person under section 327 or 1103 . . . on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis." 11 U.S.C. § 328(a).

22. FTI's fee structure is fair and reasonable in light of the services being provided and commensurate with the fee structures generally offered by firms of similar stature to FTI for comparable engagements. In addition, given the numerous issues FTI may need to address during these chapter 11 cases, FTI's commitment to the variable level of time and effort necessary to address all such related issues as they arise, and the market prices for FTI's services for engagements of this nature in an out-of-court context, the Committee has determined that the FTI

fee arrangement is fair and reasonable.

23. Finally, to the best of the Committee's knowledge, information, and belief, FTI does not have any interest materially adverse to the Debtors' estates or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason. Further, the Committee understands that FTI believes it is disinterested because, to the best of FTI's knowledge, information, and belief, FTI has no connection with the Debtors, their creditors, or any other party-in-interest, except as disclosed in the Zucker Declaration.

#### **No Duplication of Services**

24. The services that FTI will provide to the Committee will be appropriately directed by the Committee and its counsel so as to avoid duplication of efforts among the other professionals retained in these chapter 11 cases and performed in accordance with applicable standards of the profession. FTI will work collaboratively with the Committee and other professionals employed by the Committee to avoid duplication of services. The Committee believes that the services to be provided by FTI will complement and will not be duplicative of any services of the Committee's other professionals.

#### **No Prior Request**

25. No prior Application for the relief requested herein has been made to this or any other Court.

#### **Notice**

26. Notice of this Application has been provided to all parties listed on the Debtors' Master Service List. The Committee submits that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Committee respectfully requests that the Court enter an order, substantially in the form attached hereto, authorizing the Committee to employ and retain FTI as financial advisors for the Committee for the purposes set forth above, effective as of February 2, 2023, and grant such further relief as is just and proper.

1. The Application is granted as set forth herein.

The location of the Debtors’ service address for purposes of these chapter 11 cases is: 100 Tice Boulevard, Woodcliff Lake, New Jersey 07677.

<sup>2</sup> Capitalized terms used in this order not otherwise defined have the meaning given to them in the Application.

2. In accordance with Bankruptcy Code sections 328, 330 and 1103, Bankruptcy Rules 2014 and 2016, and Local Rules 2014-1 and 2016-1, the Committee is authorized to employ and retain FTI as its financial advisor effective as of February 2, 2023 on the terms set forth in the Application, except as limited or modified by this Order.

3. FTI shall file interim and final fee applications for the allowance of compensation for services rendered and reimbursement of out-of-pocket expenses incurred in accordance with the procedures set forth in Bankruptcy Code sections 330 and 331, and applicable provisions of the Bankruptcy Rules, the Local Bankruptcy Rules, and any applicable procedures and orders of this Court. For billing purposes, FTI shall keep its time in one tenth (1/10) hour increments.

4. In the event that, during the pendency of these Chapter 11 Cases, FTI seeks compensation and reimbursement of actual and necessary expenses, including for any attorneys' fees and expenses, the invoice and supporting time records from such attorneys, appropriately redacted to preserve applicable privileges, shall be included in FTI's fee application and such invoices and time records shall be in compliance with the Bankruptcy Local Rules and subject to approval of the Court under the standards of Bankruptcy Code 330 and 331, without regard to whether such attorney has been retained under Bankruptcy Code section 327; *provided, however*, that FTI shall not seek reimbursement from the Debtors' estates for any fees incurred in defending any of FTI's fee application in these Chapter 11 Cases.

5. The following indemnification provisions are approved:

- a. subject to the provisions of subparagraphs (b) and (c) below, the Debtors are authorized to indemnify, and shall indemnify, FTI for any claims arising from, related to, or in connection with the services to be provided by FTI as specified in the Application, but not for any claim arising from, related to, or in connection with FTI's performance of any other services other than those in connection with the engagement, unless such services and indemnification therefor are approved by this Court; and
- b. the Debtors shall have no obligation to indemnify FTI for any claim or

expense that is either (i) judicially determined (the determination having become final) to have arisen primarily from FTI's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud, unless the Court determines that indemnification would be permissible pursuant to applicable law, or (ii) settled prior to a judicial determination as to FTI's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud, but determined by this Court, after notice and a hearing, to be a claim or expense for which FTI is not entitled to receive indemnity under the terms of this Order; and

- c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing this chapter 11 case, FTI believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification obligations under the Application, including, without limitation, the advancement of defense costs, FTI must file an application in this Court, and the Debtors may not pay any such amounts to FTI before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by FTI for indemnification, and not as a provision limiting the duration of the Debtors' obligation to indemnify FTI.

6. FTI shall provide ten (10) business days' notice to the Debtors, the U.S. Trustee, and the Committee before any increase in the hourly rates listed in the Application is implemented. The U.S. Trustee retains all rights to object to any rate increases on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code.

7. Notwithstanding anything in the Application to the contrary, FTI shall, (a) to the extent FTI uses the services of independent or third-party contractors, subcontractors, or employees of foreign affiliates or subsidiaries (collectively, the "Contractors") in these Chapter 11 Cases, FTI shall pass-through the fees and costs of such Contractors to the Debtors at the same rate that FTI pays the Contractors, (b) seek reimbursement for actual costs only, (c) ensure that the Contractors are subject to the same conflict checks as required for FTI, and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

8. FTI shall use its reasonable efforts, and coordinate with the Committee and their other retained professionals, to avoid any duplication of services provided by any of the Committee's other retained professionals.

9. If there is any inconsistency between the terms of the Application, the Zucker Declaration, and this Order, this Order shall govern.

10. This Court shall retain jurisdiction with respect to all matters arising or related to the implementation of this Order.

**DECLARATION OF CLIFFORD ZUCKER IN SUPPORT OF THE  
APPLICATION FOR AN ORDER AUTHORIZING THE RETENTION  
AND EMPLOYMENT OF FTI CONSULTING, INC. AS FINANCIAL  
ADVISOR TO THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS**

Pursuant to 28 U.S.C. section 1746, Clifford Zucker, declares as follows:

1. I am a Senior Managing Director with FTI Consulting, Inc. (“FTI”), an international consulting firm. I submit this declaration (the “Declaration”) on behalf of FTI in support of the application (the “Application”) of the Official Committee of Unsecured Creditors (the “Committee”) of the above-captioned debtors and debtors-in-possession (collectively, the “Debtors”), for entry of an order authorizing the employment and retention of FTI as financial advisor to the Committee under the terms and conditions set forth in the Application. I am generally familiar with the Bankruptcy Code and the Bankruptcy Rules. Except as otherwise noted, I have personal knowledge of the matters set forth herein, and, if called as a witness, I would testify thereto.<sup>2</sup>

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Party City Holdco Inc. (9758); Amscan Custom Injection Molding, LLC (4238); Amscan Inc. (1359); Amscan Purple Sage, LLC (3514); Am-Source, LLC (8427); Anagram Eden Prairie Property Holdings LLC (8309); Party City Corporation (3692); Party City Holdings Inc. (3029); Party Horizon Inc. (5812); PC Intermediate Holdings, Inc. (1229); PC Nextco Finance, Inc. (2091); PC Nextco Holdings, LLC (7285); Print Appeal, Inc. (5932); and Trisar, Inc. (0659). The location of the Debtors’ service address for purposes of these chapter 11 cases is: 100 Tice Boulevard, Woodcliff Lake, New Jersey 07677.

<sup>2</sup> Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information provided by them.

### **Disinterestedness and Eligibility**

2. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtors, their affiliates, and certain entities holding large claims against, or equity interests in, the Debtors that were made reasonably known to FTI by the Debtors. A listing of the parties reviewed is reflected on **Exhibit A** to this Declaration. FTI's review, completed under my supervision, consisted of a query of the Exhibit A parties within an internal computer database<sup>3</sup> containing names of individuals and entities that are present or recent former clients. A listing of such relationships that FTI identified during this process is set forth on **Exhibit B** to this Declaration.

3. FTI modified the list of parties in interest received from the Debtors to eliminate duplicates and unidentifiable entities in certain categories related to governmental entities (collectively, the "**Tax Categories**").<sup>4</sup> FTI's client database, however, does separately identify governmental entities, and a list of governmental entities that are current FTI clients are identified hereon on **Exhibit C**. None of the matters for the governmental entity clients listed on Exhibit C relate to the Debtors or their chapter 11 cases.

4. Based on the results of its review, except as otherwise discussed herein, FTI does not have a relationship with any of the parties on Exhibit A or Exhibit C in matters related to the Debtors or these proceedings. FTI has provided, and could reasonably expect to continue to provide, services unrelated to the Debtors' cases for the various entities shown on Exhibit B and Exhibit C. FTI's assistance to these parties has been related to providing various financial restructuring, litigation support, technology, strategic communications, and economic consulting

services. To the best of my knowledge and except as otherwise disclosed herein, no services have been provided to these parties in interest that involve their rights in the Debtors' cases, nor does FTI's involvement in these cases compromise its ability to continue such consulting services.

5. In addition to the relationships disclosed on Exhibit B, FTI discloses the following:

- Between August 2019 and March 2021, FTI Technology, LLC ("FTI Technology"), a wholly owned subsidiary of FTI, provided electronic discovery services to Debtor Party City Corporation in connection with an employment discrimination lawsuit. Neither FTI nor FTI Technology are owed any amounts by the Debtors with respect to this engagement or otherwise.
- It is my understanding that certain affiliates of Duke Energy Corporation are utility providers in connection with the Debtors' chapter 11 cases. Nicholas C. Fanandakis, a member of the board of directors of FTI Consulting, Inc., is also a member of the board of directors of Duke Energy Corporation. To the best of my knowledge, Mr. Fanandakis does not have any professional involvement in this matter in any capacity.

6. As part of its diverse practice, FTI appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and parties-in-interest in the Debtors' chapter 11 cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently, and will likely in the future be working with or against other professionals involved in these chapter 11 cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests adverse to the Debtors' estates and none are in connection with the Debtors' chapter 11 cases.

7. FTI is not a "creditor" of any of the Debtors within the meaning of Bankruptcy Code section 101(10). Further, neither I, nor any other member of the FTI engagement team

serving the Committee, to the best of my knowledge, (a) is a creditor, equity security holder, or insider of the Debtors; (b) is or has been within two years before the Petition Date, a director, officer, or employee of the Debtors; or (c) has any interest materially adverse to the interests of the Debtors' estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason. As such, to the best of my knowledge, and based upon the results of the relationship search described above and disclosed herein, FTI (i) is a "disinterested person" as defined in Bankruptcy Code section 101(14) and (ii) does not hold or represent any interest adverse to the Debtors' estates. Therefore, FTI believes it is eligible to be employed by the Committee under Bankruptcy Code section 1103.

8. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties in interest in an expedient manner. If any new material relevant facts or relationships are discovered or arise, FTI will file a supplemental declaration pursuant to Bankruptcy Rule 2014(a).

#### **Professional Compensation**

9. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, Bankruptcy Rules, the local rules of this District, and any applicable orders of this Court, FTI will seek payment for compensation on an hourly basis, plus reimbursement of actual and necessary expenses incurred by FTI, including legal fees related to the preparation of the Application (if any), as approved by the Court. FTI's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the professionals assigned to this engagement are outlined in the Application. These hourly rates are adjusted periodically, typically on an annual basis. I believe that the fee structure as set forth in the Application is reasonable and

comparable to those generally charged by financial advisors and consultants of similar stature to FTI for comparable engagements, both in and out of chapter 11.

10. To the extent FTI utilizes independent or third-party contractors or subcontractors (the “Contractors”) in the provision of services to the Committee, FTI will (i) pass through the fees of such Contractors at the same rate that FTI pays the Contractors and (ii) seek reimbursement for actual costs of the Contractors only. In addition, FTI will ensure that each Contractor will file a separate declaration evidencing its disinterestedness in these chapter 11 cases as required by the Bankruptcy Code and Bankruptcy Rules.

11. According to FTI’s books and records, during the ninety days before the Petition Date, FTI did not receive any payments from the Debtors.

12. To the best of my knowledge, (a) no commitments have been made or received by FTI with respect to compensation or payment in connection with these cases other than in accordance with the provisions of the Bankruptcy Code and (b) FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with these chapter 11 cases.

#### **No Duplication of Services**

13. The Committee and FTI intend that FTI’s services will be appropriately directed by the Committee so as to avoid duplication of efforts among the other professionals retained by the Committee in these chapter 11 cases and performed in accordance with applicable standards of the profession. FTI will work collaboratively with the Committee’s other professionals to avoid duplication of services among professionals. I believe that the services to be provided by FTI will complement and will not be duplicative of any services of the Committee’s other professionals.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on March 3, 2023.
